

Northport – Passage Plan

Pilot:

Vessel Name:..... Flag:..... Date:.....

Draft Ford:..... Aft:..... Channel Depth:.....

NRT:..... GRT:..... Tide Ht:.....

Time: Height: Depth:.....

HW: Draft:

LW: UKC:.....

Port From/To:

Inwards

Vessels should not approach closer than 1nm to seaward of the Fairway Buoy (L.FI.10 sec) until contact is made with the pilot on VHF (Channel 19 or 16). The pilot will advise on boarding position, speed, and any other requirements.

Outwards

Unberthing procedures will be discussed with the master. Disembarkation position may vary and will be finalised after discussions dependant on traffic and weather conditions.

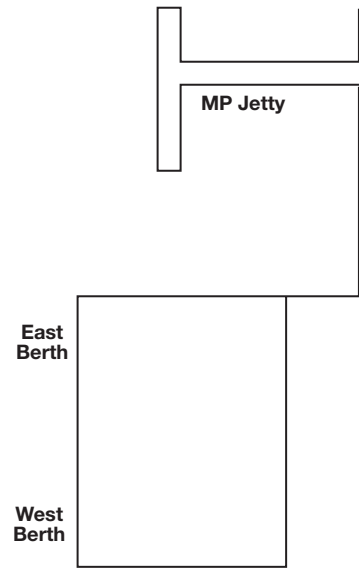

General

Pilot ladder to be rigged as per NZ Pilot Ladder Regulations as directed 1 metre above the water. Course on the attached plan are indicative only and may vary depending on ship size and characteristics, draft and prevailing weather conditions. Speeds will be various but a full manoeuvring range must be available at all times. Distance from the Fairway Buoy to the Port Whangarei berth area is 14nm and Marsden Point is 6nm.

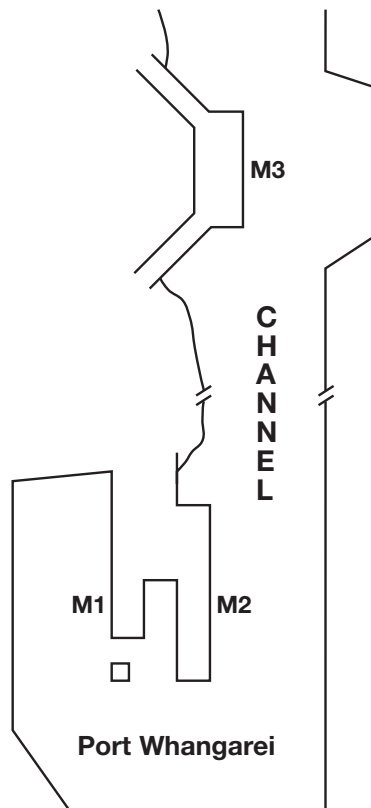

BRIDGE TEAM TO CONSTANTLY MONITOR PILOT'S ACTIONS AND MUST NOT HESITATE TO QUESTION ANY ACTION OR INTENDED COURSE OF ACTION THEY ARE UNSURE OF.

Confirm this information with the Pilot on arrival or departure.
