

SHIFTING SHIPS AT NORTHPORT

The shifting of ships at Northport berths may only be undertaken with permission from Northport who reserves the right to refuse any shift.

No agent can refuse to undertake a reasonable request to shift a vessel by Northport or another agent.

Non-assisted Shift Ship

- Maximum distance to be no more than 20m
- To be carried out at slack water only
- Wind strength to be no more than 10 knots
- Ships master and Northport or North Tugz representative and a 4 person lines party to be present
- Whangarei Harbour Radio to be notified before and after the shift is carried out

Assisted Shift Ship

- Shifts greater than 20m
- Wind strength during shift greater than 10 knots, but less than 30knots
- Normal berthing criteria to be used which include Pilot, Tugs and 4 Linesmen
- Whangarei Harbour Radio to be notified before and after the shift is carried out
